

WHAT IS THE ADOPT AN ANIMAL PROGRAM?

The Adopt An Animal Program is administered by the Friends of Zoo Boise. Proceeds from the Adopt An Animal program are used to provide special animal care, enrichment, special diets, minor exhibit improvements, and zoo keeper training. As a zoo parent, you will have the satisfaction of knowing you are helping Zoo Boise, and making a contribution to the welfare of the many animals that live here.

Adopting an animal makes a unique gift. Perfect for birthdays, holidays, or commemoration. It is the perfect gift for the person who has everything!
