Q: What do we do at Snooze at the Zoo?

A: Snooze at the Zoo events are led by the Zoo Boise's Education Department. The night wraps up with the Night Prowl. The event will conclude in the morning with a special experience.

Q: What animals will we see?

A: There's no guarantee what you'll see while prowling zoo grounds. As in the wild, animals may choose to remain hidden, or may be off exhibit for a number of reasons including noise level, weather, and temperature. As a result, every Snooze at the Zoo is unique in the animals that will be observed on any given night.
