

ZOO MEMBERSHIP FAQs

Membership Cards

Q: When do I receive my membership cards?

A: Allow 1-3 weeks for your membership cards to arrive in the mail. If you would like to visit the zoo before your cards arrive, please bring a copy of your membership purchase receipt with you (electronic or printed off) and your photo ID.

Q: I never received my membership cards.

A: If it has been over three weeks since the date of your membership purchase and you have not received your membership cards, send an [e-mail](#) or call (208) 608-7765 to speak with the Membership Coordinator.

Q: Do I need to bring my cards and ID every time I visit the zoo?

A: Yes! To protect your membership, we require that all named adults on the membership present their membership card and a photo ID upon entering the zoo.

Q: My household number is lower than the number of people living in my household, what do I do?

A: Children under 3 years old are not included in the household number. If after subtracting the number of children under 3, your household number is still incorrect, please contact the Membership Coordinator at (208) 608-7765.

Q: Can I buy a membership just for children?

A: No. All memberships require at least one adult. This is not only for safety reasons, but also because we require ID at the front gate and children do not typically have IDs.

Q: Help! I lost my membership card!

A: Replacement cards can be purchased for \$5.00 [HERE](#), or by calling (208) 608-7765.

Gift Membership Information

Q: I want to purchase a membership for someone else. Can I do that?

A: Yes, Zoo Boise memberships make a great gift for anyone! Click [HERE](#) and complete the form.

Q: When will the gift membership become active?

A: Gift memberships, like regular membership, begin on the date of purchase and will expire one year from the end of the month of your purchase.

Q: What is the difference between sending a gift membership and purchasing a gift certificate?

A: If you complete the online or physical gift membership form and include the gift recipient's information, we'll create membership cards for the recipient. These can be sent to either the gift giver or gift recipient. This is a great option if you want the recipient to be able to use their membership right away, or if you live far away and want to send their cards in the mail. Gift certificates can be given instead, on request or if the recipient's information is not properly completed. This is a great option especially if you do not know who you would like to give the membership to. A membership purchased with a gift certificate will expire one year from the end of the month of your purchase, regardless of when the gift certificate is redeemed.
