Explore the wild world
with a visit to Zoo Boise

Visit with your class

we will take care
of the science!

Whether you have a flock of first
graders, a troop of baboons,
a shiver of sixth graders,
or a tower of giraffes...
unleash your inner animal!

Explore the world outside
your classroom with us.

**Book your 1-hour private
guided program led by
zoo education staff.**

- Guided Tour
- Biofact Exploration
 - Skulls, feathers, feet, beaks, and pelts (this is the only time we will encourage you to "touch a lion").
